ISBN : #3846596418 | Date : 2012-01-06

Description :

PDF-01ff3 | Due to concerns about the issue of scarcity of water, soaring food prices, population growth, high unemployment, environmental degradation, and reductions in arable land, combined with the effects of urbanization, economic development and security concerns, the Saudi government introduced combative measures from self-sufficiency to deflationary policy in wheat production. My study set out to demon... *Agricultural Development Strategies: the Saudi experience: The role of agriculture to enhance food security, alleviate poverty and promote economic growth*
