Description :

PDF-8813a | A highly readable and entertaining first look at how today's members of iGen—the children, teens, and young adults born in the mid-1990s and later—are vastly different from their Millennial predecessors, and from any other generation, from the renowned psychologist and author of *Generation Me*. With generational divides wider than ever, parents, educators, and employers have an urgent need to ... *iGen: Why Today's Super-Connected Kids Are Growing Up Less Rebellious, More Tolerant, Less Happy--and Completely Unprepared for Adulthood--and What That Means for the Rest of Us*
