Description :

PDF-ed044 | As bullets ring and bombs are dropped, children watch—mostly from the sidelines, but occasionally in the direct line of fire. Unaware of the political issues or power struggles behind the battle, all they know are the human, emotional consequences of this thing called war. This collection examines all of war's implications for young people—from those caught in the line of fire to the children... *Shattered: Stories of Children and War*
