Description :

PDF-87784 | This is another of Simon Drew's books of uninterrupted nonsense. Some people are infuriated by the puzzle pictures and some people love them. However this last category has yet to be found in the wild, as only a few specimens are known and they are all in captivity. It had been hoped that all the devotees of these books would die out and the species become extinct: however, a mutant strain has app... *Spot the Author*
