Description :

PDF-1f16b | Thomas Paine (1737-1809) was one of the most fascinating figures of the late 18th century. His public antagonist and personal friend John Adams believed that their times would come to be known as the "Age of Paine." He came to America in middle age and became a radical-democratic pamphleteer, effectively turning colonial rebellion into a national liberation movement. He later returned to Europe wh... *Thomas Paine: Firebrand of the Revolution (Oxford Portraits)*
